YOU ALL
HAVE HEARD OF
HOOFLAND'S GERMAN BITTERS,
AND
HOOFLAND'S GERMAN TONIC.

Prepared by Dr. C. M. Jackson, Philadelphia.

Their introduction into this country from Germany occurred in

1825.

THEY CURED YOUR

FATHERS AND MOTHERS,

And will cure you and your children. They are entirely different from the many preparations now in the country called Bitters or Tonics. They are no tavern preparation, or any thing like one; but good, honest, reliable medicines. They are

The greatest known remedies for
Liver Complaint,
DYSPEPSIA,
Nervous Debility,
JAUNDICE,
Diseases of the Kidneys,
ERUPTIONS OF THE SKIN,
and all Diseases arising from a Disordered Liver, stomach, or
IMPURITY OF THE BLOOD.

Constipation, Flatulence, Inward Piles, Fullness of Blood to the Head, Acidity of the Stomach, Nausea, Heartburn, Disgust for Food, Fullness or Weight in the Stomach, Sour Eructations, Sinking or Fluttering at the Pit of the Stomach, Swimming of the Head, Hurried or Difficult Breathing, Fluttering at the Heart, Choking or Suffocating Sensations when in a Lying Posture, Dimness of Vision, Dots or Webs before the sight, Dull Pain in the Head, Deficiency of Perspiration, Yellowness of the Skin and Eyes, Pain in the Side, Back, Chest, Limbs, etc., Sudden Flushes of Heat, Burning in the Flesh, Constant Imaginings of Evil and Great Depression of Spirits.

All these indicate diseases of the Liver or Digestive Organs, combined with impure blood.

HOOFLAND'S GERMAN BITTERS

is entirely vegetable and contains no liquor. It is a compound of Fluid Extracts. The Roots, Herbs, and Barks from which these extracts are made, are gathered in Germany. All the medicinal virtues are extracted from them by a scientific Chemist. These extracts are then forwarded to this country to be used expressly for the manufacture of these Bitters. There is no alcoholic substance of any kind used in compounding the Bitters, hence it is the only Bitters that can be used in cases where alcoholic stimulants are not advisable.

HOOFLAND'S GERMAN TONIC

is a combination of all the ingredients of the Bitters, with PURE Santa Cruz Rum, Orange, etc. It is used for the same diseases as the Bitters, in case where some pure alcoholic stimulus is required. You will bear in mind that these remedies are entirely different from any others advertised for the cure of the diseases named, these being scientific preparations of medicinal extracts, while the others are mere decoctions of rum in some form. The TONIC is decidedly one of the most pleasant and agreeable remedies ever offered to the public. Its taste is exquisite. It is a pleasure to take it, while its life-giving, exhilarating, and medicinal qualities have caused it to be known as the greatest of all tonics.

DEBILITY.

There is no medicine equal to Hoofland's German Bitters or Tonic in cases of Debility. They impart a tone and vigor to the whole system, strengthen the appetite, cause an enjoyment of the food, enable the stomach to digest it, purify the blood, give a good, sound, healthy complexion, eradicate the yellow tinge from the eye, impart a bloom to the cheeks, and change the patient from a short-breathed, emaciated, weak, and nervous invalid, to a full-faced, stout, and vigorous person.

Weak and Delicate Children are made strong by using the Bitters or Tonic. In fact, they are Family Medicines. They can be administered with perfect safety to a child three months old, the most delicate female, or a man of ninety.

These remedies are the best

Blood Purifiers

ever known and will cure all diseases resulting from bad blood. Keep your blood pure; keep your Liver in order; keep your digestive organs in a sound, healthy condition, by the use of these remedies, and no diseases will ever assail you. The best men in the country recommend them. If years of honest reputation go for anything, you must try these preparations.

FROM HON. GEO. W. WOODWARD,

Chief Justice of the Supreme Court of Pennsylvania.

PHILADELPHIA, March 16, 1867.

I find that "Hoofland's German Bitters" is not an intoxicating beverage, but is a good tonic, useful in disorders of the digestive organs, and of great benefit in cases of debility and want of nervous action in the system.

Yours Truly,
GEO. W. WOODWARD.

FROM HON. JAMES TAOMPSON.

Judge of the Supreme Conrt of Pennsylvania.

PHILADELPHIA, April 28, 1866.

I consider "Hoofland's German Bitters" a valuable medicine in case of attacks of Indigestion or Dyspepsia. I can certify this from my experience of it. Yours, with respect,
JAMES THOMPSON.

FROM REV. JOSEPH H. KENNARD, D. D.,

Pastor of the Tenth Baptist Church, Philadelphia.

DR. JACKSON—DEAR SIR:—I have been frequently requested to connect my name with recommendations of different kinds of medicines, but regarding the practice as out of my appropriate sphere, I have in all cases declined; but with a clear proof in various instances, and particularly in my own family, of the usefulness of Dr. Hoofland's German Bitters, I depart for once from my usual course, to express my full conviction that for general debility of the system, and especially for Liver Complaint, it is a safe and valuable preparation. In some cases it may fail; but usually, I doubt not, it will be very beneficial to those who suffer from the above causes. Yours, very respectfully,

J. H. KENNARD,
Eigth, below Coates Street.

CAUTION.

And Radical tyranny flee in dismay,
Before the Farmer of Deerfield.

THINK OF IT.—Farmer, mechanic, workingman—and especially you who have heretofore acted with the Republican party—you have now until November to think of a matter that concerns you and your children. Will you vote the Radical ticket and pay the bondholder's taxes, or will you vote the Democratic ticket and make the bondholder pay his own taxes? Every dollar added to the duplicate relieves you. The Democratic platform *demands* that bonds shall be taxed the same as other property—the same as your dwelling house. The republican platform favors the exemption of the bondholder, says, in effect, that he is a privileged character, and shall not be taxed on his bonds. Which is right? Throw aside your party prejudices, and think of it!

BEEF AND TAXES—A BOVINE BIOGRAPHY.—I was born in Nebraska. The farmer to whom I belonged paid a tax upon me as a part of his income during my vealhood. He sold me when I was three years old, and paid an income tax upon what I brought. I was nicely fatted until I weighed nearly a ton, by a Democrat on Weeping Water, who paid the Government eighteen cents for the privilege of selling me to a butcher, who pays a tax of ten dollars for the privilege of selling meat to the public. The butcher sold my tallow to a chandler, who made me, by paying a license as manufacturer, into candles for the poor people, who pay a five per cent. tax on candles to read by. My horns and hoofs are made into combs and glue, and pay another tax. My hide goes to the tanner, who pays a manufacturer's license, and is made into leather, upon which is paid an ad valorem tax of five per cent. The tanner will sell the leather to a wholesale dealer, who pays a mercantile license and an income tax, and he will sell it to the shoemaker, and the shoemaker will get up boots for the laborer, farmer and mechanic, and charge enough for them to cover all the taxes enumerated together with his own manufacturer's tax.

The revolutionary programme of the Radicals is daily developing itself. A "carpet-bagger" named Coon, in the Alabama Senate, recently displayed his fire-eating tendencies by announcing that "if war must come, let it come—that the Radicals would give their opponents a belly full of it before it was over—and that in the next war victory would perch upon the Radical banners." Coon evidently let the cat out of the bag, and his admirers in the North are now deploring his indiscretion. The Radicals desire to get up a new revolution, so that they may continue their plunder of the people's money, but they don't want their tools to say so.

GREELEY ON THE PRESIDENTIAL ELECTION.

Greeley begins to see the Presidential canvass in clear light, and sees every reason to fear the failure of Grant. He says that the labor that is to insure the triumph of the republican candidates "is yet to be done;" that six times as many clubs as the Grant men now have are necessary, and that before it can expect to win the clubs must "gather and glean half a million votes from those who are now indifferent or hostile" to the republican party. And all this, he justly reasons, "implies such a canvass as has never yet been in our country." For those who fancy the election of Grant and Colfax certain he says:—"So far is this from the fact that they are this hour in peril of defeat" and "will surely be beaten if there steadfast supporters are not speedily aroused to general and intense activity." Republicans "have to poll their very last vote in half the States—many more than they ever yet polled in the belt of States beginning with Connecticut and extending through New York, New Jersey, Pennsylvania and Ohio to Indiana—or Seymour will be the next President." He believes that "there is danger—grave danger"—that Grant will not be the next Executive; not that he doubts of the real supremacy of the republican party in point of numbers even, but he fears that republicans will be apathetic and democrats crafty, and of course dishonest—a view not quite consistent with his other view that his party needs to win half a million votes gained either from its opponents or from men indifferent to party.

Greeley, then, begins to feel the coming defeat of General Grant. He has good reason to be uneasy in view of the possibility. He may regard this result as in a peculiar degree the consequence of his own efforts. He has directly contributed to bring it about. He created in the first place and has kept alive those elements of disaffection to the republican party from which alone Grant's defeat can come. He is the man who has driven the common sense, the respectable controlling conservatism of the country into an attitude of hostility to the republican party. He is the real source in his party of all its extreme tendencies—all those desperate efforts to remodel the nation in accordance with extravagant and misty theory—those ridiculous vagaries of a dreaming enthusiast who fancies he is a politician and a statesman. Had republicanism acted on the impulses of the people at the close of the war, had its policy reflected the true will of the people, how different would have been our recent history But it gave way to that spirit of which Greeley was the head and front, and the rest came of course.—Thence came all the nigger legistation and all that perversity of our recent political strife that would not have peace if it was not peace with the nigger in the best place. Thence came all the legislation outside the constitution and the efforts to cast the Executive office out of our system of government because the occupant of that office did not agree with Greeley in his view of his duties. This is the spirit that has rendered it impossible for the people to act longer with the republican party; and though the nation respects and reveres Grant for his character and his history, it cannot even for his sake accept a party of such tendencies and subject, as its record shows, to such unsafe influences.—*New York Herald.*

THE CROPS IN ENGLAND.—The Gardener's Chronicle, of London, of the 1st of August, contains harvest reports from 206 different places in England. To what extent these reports may be accepted as authentic it is not in our power to say; but most probably they are as truthful as information of this nature generally is. The result obtained from a compilation of these returns is that there has never been a better crop of wheat on all good wheat soils than the present one, and that the average of the whole crop will probably prove higher than it has been for many years. In 67 of the districts from whence these reports were received the wheat crop was an average good one; in 126 districts, 61 per cent. of the whole number, the crop was above an average; and in only 13 districts was it below an average. The reports of the condition of the other crops were not quite so full, nor nearly so satisfactory.

THE CROPS OF THE WEST AND SOUTH.—The New York Express, referring to the harvest in the West, remarks:

"The granaries of the West, we are glad to see, are to be largely poured into the lap of this great centre of trade and commerce. We hear, since the harvesting commenced, of large shipments of grain from the farmers, by the lakes and by rail, to New York, and the expectation is that no small quantity of all this will be forwarded to Europe. A fair cotton crop, say 2,000,000 bales, and large shipments of breadstuffs, with pork hay and other articles, to go forward, will tend to keep down the price of gold. But for the extravagance and follies of Congress, we might at least hope to keep our debt from increasing."

THE Tariff men of Pennsylvania, having been uniformly wheedled into the support of Radical candidates, are now asked to renew their aid to that party, notwithstanding the fact that it has introduced the whole negro element of the South into politics, which will give that section increased representation in Congress, and thus strengthen the Free Trade vote.

IT is impossible to insure success to Hiram Ulysses as long as he refuses to have a policy. *No policy, no insurance*, is the underwriter's rule.

DOES THE LABORING MAN PAY ANY TAXES.

While the producing industries of the country are unjustly taxed, and the almost intolerable burdens of the war rest upon those who fought the battles and made the sacrifices, those who tilled land to produce supplies, and those who labored in the work-shops, the organs of the Radicals are asserting that the bondholders are the men who pay all our revenue. The organ of the Radicals in Lorain county, replying to an article which recently appeared in the Cleveland *Plaindealer*, sneeringly says that "not one laboring man in every hundred pays a penny of taxes to the government directly." True, the laboring man does not pay his taxes directly to the government, but every man of sense knows that the consumer pays the tax upon every article manufactured by capital. A practical working man, a few days ago, being in our office, handed us the following, which in itself is a volume of argument to show that the poor man does pay taxes:

Radical legislation requires the consumer to pay all taxes. It taxes

The hat on your head.
The boots on your feet.
The clothes on your person.
The food you eat.
The tea and coffee you drink.
The pot it is cooked in.
The cup you drink it out of.
The implements on your farm.
The tools you work with.
The paper you write on.
The pen and ink you use.
The paper and books you read.
The furniture in your house.
The gas or oil you burn.
The coal you consume.
The stove you burn it in.
The match you light it with.
The medicine you take.
The tobacco you smoke.
The pipe you smoke it in.
The dishes on your table.
All you eat off them.

The laboring man of the country, who owns a little house and lot, which he has earned by toiling from early morning to night, pays State tax, county tax, school tax, road tax upon it; while his next door neighbor who is a bondholder, owning fifty thousand dollars in bonds, pays no taxes whatever, draws interest in gold, and laughs at his unfortunate neighbor, who has his money in a little home! If the masses of laboring men desire the equal taxation of every species of property according to its real value—government bonds and other securities included—if they want one currency for the people, the laborer and the officeholder, the pensioner and the soldier, the producer and the bondholder, they will not vote the Radical ticket, but will vote for that of the Democracy.

RECONSTRUCTION IN LOUISIANA.

In the Fifth District Court of New Orleans an action to recover 35,000 from S. Leastings, of this city, for occasioning the death of Mrs. McCubbin by wrongfully preparing a prescription ordered by her physician while she was recovering from yellow fever, came up last week.—Amongst the first juryman called was Ernest Nelson, a coal black negro of the most unintellectual type, to whom were propounded the following questions:

Can you read?

No.

Can you write?

No.

Can you count?

Juryman hesitates, but his answer, whatever it may have been, is stayed by objection from Mr. Hornor, plaintiff's counsel, who contended that the only question the court has any right to entertain is whether the juryman is a registered voter.

Mr. Bermudez, for the defense, urges that in a case where, as in this instance, a large sum of money was claimed, a man who couldn't count was as incompetent to render a just verdict as a man who was insane.

The Court ruling that under the existing state of things, evrey legal registered voter was a competent juryman. Mr. Burmudez returns to the charge, asking of the juryman:

Are you a legal registered voter?

No answer.

What is a legal registered voter?

Dunno.

[Hornor to the rescue.] Perhaps if the Court would ask him whether he voted at the last election we would get at the facts.

[Juryman, with a look of intense relief.] Oh, yes, sah, I voted.

Juryman sworn in.

Empannelling of jury proceeds in the following manner: Hornor pre-emptorily challenges every intelligent looking white man till his challenges are exhausted; Burmudez challenges every imported negro till his are exhausted. The jury is then completed.

White man steps up and objects to serve.

Why?

Because I am a white man and I object to sit on a jury with niggers.

The Court—That's no objection, sir, you must serve.

So a jury of two-thirds plantation negroes is empannelled to try a cause involving the nicest questions of medical science, the trial of which will probably extend over three or four days. To the decision of this body is confided the professional reputation of a highly respectable apothecary; anxious relatives have to look to them to determine whether a loved member of their family was killed by gross negligence, or died solely from natural causes.

"IF the policy of selfish ambition and of sectional hate is put down, our country will stare upon a new course of prosperity, and all classes will reap in common the benefits of good government."—*Seymour.*

Hotel Miscegenation and Amalgamation.

The so-called South Carolina Negro Legislature have passed the following "Law," 61 ayes to 19 nays:

A bill to prevent discrimination between persons, by those carrying on business under license, on account of race or color, or previous condition.

Be it enacted by the Senate and House of Representatives of the State of South Carolina, now met and sitting in General Assembly, and by the authority of the same.

SECTION 1. That from and after the the passage of this bill it shall not be lawful for any party or parties, engaged in any business, calling or pursuit for the carrying on of which a license or charter is required by law, Municipal, State, Federal or otherwise, to discriminate between persons, on account of race, color, or previous condition, who shall make lawful application for the benefit of such business, calling or pursuit.

SEC. 2. Any party so discriminating shall be considered as having violated this act, and upon conviction shall be punished by a fine not less than $1,000, or imprisonment for not less than twelve months.

SEC. 3. No act of incorporation shall be conferred upon any organization the rules and regulations of which contain features not compatible with the provisions of this act.

SEC. 4. All acts, or parts of acts, inconsistent herewith, are hereby repealed.

A negro named Johnson, demanding the bill, said,—

"I notice a publication in the daily paper concerning Nickerson's Hotel. They seem to be exceedingly frightened about colored gentlemen stopping there to board. Perhaps on some future day I shall come here to Columbia, and there may not be any private house, and being a gentleman, may call at Nickerson's Hotel. If I do so I don't wan't to be refused. *I want the right and privileges of going into that house no matter who it is kept by, and having myself cared for, as well as any other guest of the house. And so I want to go into a workshop or any other place of business.*

This is what Radicalism means, North as well as South, side-by-side and bed-by-bed "equality,"—not that all Radicals now mean this, but it is what all are coming to if Gen. Grant is elected President.

GEORGE LEE (NEGRO).

Now I was not one of those who accompanied the excursion to Greenville, a short time ago, but I understand that on arriving there the members had no place to go for a lodging. To meet just such an emergency as this, I am anxious that this bill shall pass, so that those having hotels shall be made to pay the penalty if they deny the accommodations which we demand. And to this end I appeal to every Republican on the floor to pledge himself to do equal and exact justice to all. That is the essence of this bill. It is all we want; it is that which is secured to us by the Constitution of the State and the Reconstruction acts of Congress, and it is what we must have.

"What we MUST have," and will have, of course, is Northern Whites to co-operate with the Southern Negroes in making Grant President, as their common servant and servant-man,—as he must be, if thus elected.

R. B. ELLIOTT (NEGRO).

I hope that every man on this floor who claims to be a Republican will vote for this bill. I will not insult the dignity of the House by appealing to race, or asking a man to vote for it because he is either white or black; but I ask simply on the ground that the measure is right and proper, and in accord with the principles involved in the whole scheme of reconstruction.

Of course, it is in accordance with all the Reconstruction Acts of Congress—nay, in a lower, rather than a higher keynote—for these acts put the negro above the white man, by disfranchising thousands of white men while enfranchising all the negroes; whearas, this S. C. act only puts the negro on an equality with the white man—in bed, board, table, shop, &c.

DON'T KILL HIM.—Many farmers have noticed in their fields a large black beetle, with most brilliant golden dots placed in rows on his back. Dr. Fitch says: "It's eggs produce the *corn-grub killer*. It is a most inveterate foe to the cut-worm grasping the worm in its strong jaws, and, in spite of its violent writhing and struggling, securely holding it. When it finds these worms in plenty, it gorges and surfeits itself upon them till it is so glutted and distended as to be scarcely able to stir, for it never knows how to let a cut-worm alone when it meets him. It is continually hunting these worms, feeding on nothing else if it can obtain them. Both it and the golden dotted beetle, which produces it, therefore, should never be harmed.

RIPE FRUIT.—While we cannot too strongly caution our citizens against the use of unripe fruits, on the other hand we cannot too strongly urge a free indulgence in well ripened ones at this season. A distinguished physician states that, in an extensive practice, running through a long series of years, he had always found the occasions of his services in a family reduced in proportion as they came into the daily use of good ripe fruits, from strawberies onward. Some of the most distiuguished pomologists of the country bear unqualified testimony in behalf of well ripened fruits.

A SAD SNAKE STORY.—A young lady in Snyder county, Pennsylvania, was in the garden picking berries. A piercing scream from her alarmed the rest of the family, who were at the teatable. Hastening to the spot, they found her lying on the ground insensible. She was carried into the house, and sad to relate, examination proved that she was dead. Her friends, on proceeding to prepare the body for interment, were horror stricken to find an immense black snake coiled tightly around her person, underneath her clothing. There being no evidence of the snake having bitten her, the inference was that the young lady died from fright.

GRANT'S friends say that he shuns public demonstrations. That's a mistake. The shunning is all on the side of the demonstrations.—*Prentice.*

"BAIT HIM WITH A WHITE WOMAN."

The terrible, shocking, nameless crimes of the Southern niggers, are a matter for grave reflection, not only of the leading minds of this country, but of all Christendom. To speak out plainly, rapes upon white females by brutal negroes are of daily occurrence. Horace Greely and Henry Ward Beecher, more than any other two individuals in this country, are the authors of these rapes. Not long ago, Ward Beecher said in a speech, "the way to maintain a man in a position is to take one step before him; being crafty, I desire to capture him by guile; take a black man, bait him with a white woman, and I think you will catch the black man." Was there ever a more atrocious or horrible sentiment uttered by a human being, much less a clergyman, and yet this debauched scoundrel calls himself a Christian teacher! Pandering to the animal passions of a half brute, covertly inviting rapes and murders, has had its fruits. Nigger outrages upon white females are of weekly occurrence, and Beecher and Greely continue to preach up the doctrine of bating the black man with a white woman, while Christendom looks on with horror, but nobody moves to stay the dreadful crimes. Democratic voters, shrink not from your duty. Let the consequences be what they may, Mongrelism must be crushed out at all hazards. The election of Seymour and Blair will do it.—*N. Y. Day-Book.*

AMONG the last public acts of General Halpine, or "Private Miles O'Reily," was to put on record the following in relation to Governor Seymour and General Blair. General Halpine said, in the *Citizen*:

On the whole muster-roll of the army no name shone more conspicuously for personal gallantry than that of Frank Blair, few officers have been more desperately wounded, and no officer has been more gloriously conspicous for never saying "Come" to his men, but "Follow me." As for the loyalty of Horatio Seymour, the fact that in every national exigency he hurried forward more troops to the scene of action, whether it was Washington or Gettysburg, than any other Governor, together with the warm letters of thanks for his loyalty and devotion from the late President Lincoln, which have already appeared, must be a sufficient answer. Knowing Seymour well, and having had opportunities to know him thoroughly, officially and peronally, during the war, we reluctantly but firmly apply to whomsoever shall question his action and practical loyalty, the famous words of that great Radical Chief who answers every charge which he deems unfounded by the striking phrase of the true Saxon dialect: "You lie, you villain, you lie;" and—what the great Radical philosopher does not do—we are willing to be held responsible for these words.

HON. W. B. Jones, elector for Grant in the Fourth Congressional district of Alabama, declines to serve, and will take the stump for Seymour and Blair. Hon. Thomas Masserton, representative from Lawrence county, has also abandoned Grant and will support the Democratic nominees. The *State Sentinel*, carpet-bag organ of Atlanta, has suspended from want of patronage.

THE genus carpet-bagger is a man with a lank head of dry hair, a lank stomach and long legs, club knees and splay feet, dried legs and lank jaws, with eyes like a fish, and mouth like a shark. Add to this, a habit of sneaking and dodging about in unknown places—habiting with negroes in dark dens and back streets—a look like a hound, and the smell of a polecat.

"We have seen the mischief wrought out by the policy of the past three years. It will be as hurtful in the future as it has been in the past. Yet the Republican party has approved it and is pledged to it."—*Seymour.*

To earnestly denounce military despotism, or to express a determined purpose to put an end to the anarchy which prevails in the South, is charged by the Radicals as a revolutionary threat.

VOTING for Grant and Colfax, is equivalent to voting for High Taxes, Negro Governments in the South, Gold for the Bondholder, and paper currency for those who do not hold bonds, and for the exemption of all capital invested in Government securities from all manner of Taxation.

Nothing can exceed the enthusiasm with which the names of Seymour and Blair are greeted throughout the land, except the freezing indifference with which the Radical nominees are received wherever they make their appearance.

WHEN General Grant reached Denver, Colorado, all the soldiers of company B, Third Infantry, saluted him with a Seymour and Blair flag. The General felt unable to remain in that town or even to alight from the coach.

GRANT'S "peace"—negroes outraging white women and shooting their male relatives—a common occurrence in Tennessee and other satrapies.

AN appropriate design for a Grant illumination——an old woman hung on a gallows for vengeance. Motto—'we now acknowledge her innocence.

Grant was once a tanner. He is still in the hide business, having hidden himself in the Western bushes.

To the negro savages of the South, the Radicals offer ballots; to the Indians of the frontier, bullets.

The New York *Herald* says that the Radical "peace" means a peace with the nigger in the best place.

ADDRESS OF THE DEMOCRATIC STATE COMMITTEE.

DEMOCRATIC STATE COMMITTEE ROOMS,
901 ARCH STREET,
Philadelphia, Aug. 24, 1868.

To the People of Pennsylvania:

The Radicals re-produce the stale slanders of the past, and try to ignore the grave questions of the present.

They prate of their loyalty and make it the excuse for their corruption, their extravagance and their misrule.

They imagine that you have slept during three years of their iniquitous misgovernment, and that you will forget that taxation oppresses you, that your business is broken up.

They have proven themselves powerful to destroy and powerless to restore.

Their only policy is hate, and upon this they ask a new lease of power, forgetful that a thinking and practical people require them to answer:

Why is the national debt greater now than when Lee surrendered, and why does it still increase?

What has become of the fifteen hundred millions of dollars they have wrung from the comforts and necessities of the people since June, 1865?

Why are more than one hundred millions of dollars annually wasted on the unreconstructed South, and why is it not made to yield us as much, to relieve us from taxation, and aid in paying our debt?

Why is the white man made the inferior of the negro in every Southern State?

Why is one class of men totally exempt from taxation while all others groan beneath the load they should aid in bearing?

Why shall the 5-20 bonds be paid in gold when by the express terms of the contract, they were made payable in legal-tender notes?

Why is the constitution violated, and the Union not restored, and why are our resources wasted, and the people oppressed, the cost of living trebled, and our trade destroyed?

Democrats of Pennsylvania:

Arouse the People.

Organize a speaking canvass in every locality. Go into the strongholds of Radicalism, and,

Teach the People.

Direct your arguments to reason and and not to the passions. Confine them to the living issues of the present and of the immediate future.

Pursue the Enemy.

Our grand old State moves steadily but surely into her true place in the Democratic line.

From every section comes the glad news of a defiant and united Democracy, and of a torpid and dispirited foe.

Organization, energy and united effort will bring you a glorious victory. *Arouse the People. Teach the people.*

Pursue the Enemy.

By order of the Democratic State Committee. WM. A. WALLACE,
Chairman.

HON. F. M. KIMMELL.

We place upon the ticket printed at the head of our editorial columns, the name of F. M. Kimmell, of Franklin county, as the Democratic candidate for Congress in this (the 16th) district. It is hardly necessary to commend this nomination to the voters who are to choose our next Congressman. Judge Kimmell is known to almost every man in the district and no one will deny his ability, or dispute his soundness as a Democrat. He is not only capable, but honest, and holds correct views on all the great issues now before the people. He will make such a representative as the people can well be proud of, and in his hands their interests will always be safe. During his services as Judge, he was universally respected and admired not only for his ability as a jurist, but for the promptness with which he conducted the business of our courts, and the care he exercised in lightening the expenses of his judicial administration. Think of him in comparison with John Cessna! A true man against a traitor; an honest man against a corruptionist; an able man against a pettifogger. But personalities are as nothing in the scale between these two candidates. If Cessna be elected, he will vote for all the devilish and infamous schemes of the Radicals; he will record his vote on the same side with Ben. Butler, Ashley, Bingham, Kelley, and the rest of the reckless revolutionists who have brought the country to the verge of ruin. If Kimmell be elected, he will vote for peace and reconciliation with the Southern people, for a reduction of the Standing Army, for the abolition of the Freedmen's-Bureau, for the payment of the Public Debt, as speedily as possible, according to the contract, for taxation of Government Bonds, for the constitutional powers of the President and the independence of the Judiciary, and for the enfranchisement of the hundreds of thousands of white Americans who are now mere vassals to the negro majorities of the Southern States. Between these men and the principles they represent, the people must choose. Who then can hesitate to vote for Judge Kimmell, able and upright, on the White Man's Platform of Liberty to All, Equality of the States, Civil as against Military Government, Peace and Harmony between the North and South and the Reduction of the Expenses of the Government, as against John Cessna, a mere trickster, who was never known to be true to any man, upon the Black Platform of Negro Rule in the South, upheld by the bayonet, at a cost of hundreds of millions per annum? Democrats, Republicans! Make your choice and choose ye wisely.

W. J. BAER, ESQ.

Hon. J. McDowell Sharpe, of Franklin, having declined to be a candidate for Additional Law Judge, W. J. Baer, Esq., of Somerset, is the only person now mentioned in connection with the Democratic nomination for that office. We presume no formal nomination will be made and that Mr. Baer will be adopted as the candidate of the party, without the preliminaries of a conference. We accordingly insert his name instead of that of Mr. Sharpe, in the ticket at the head of our paper. Mr. Baer is one of the ablest lawyers in this judicial district, a man of high character and will make a firstrate judge.

P. S.—Since writing the above, we have received the proceedings of the conference, which met at Somerset, on Saturday last, and unanimously nominated Mr. Baer. We will publish them in our next.

KIMMELL and a vote in Congress for the speedy payment of the public debt, according to the contract. Cessna and a vote for a Funding Bill to continue the load of that debt upon the shoulders of the people for an indefinite period.

KIMMELL and a vote in Congress for the Abolition of the Freedmen's Bureau Negro Boarding School. Cessna and a vote in Congress to spend twelve millions per annum of the people's money to keep the Southern negroes in idleness.

KIMMELL and a vote in Congress for the restoration of the lawful loyal State Governments of the South. Cessna and a vote in Congress for the continuance of the Reconstruction swindle, Negro legislatures, Negro Executives and Negro Judges.

JOHN CESSNA.

This man is now a candidate for public office. He has thrown down the gauntlet and asks the people to pass judgment upon his claims to their support.

Is he honest? Is he capable? These questions would have been asked if John Cessna had been a candidate twenty years ago. Perhaps they are obsolete now. Perhaps in this corrupt and crime-stained age, people do not care whether they are answered or not. As for ourselves, we do care; these questions shall be asked and answered.

Is John Cessna honest? Ask the railroad company whose passes he has used as instrumentalities of corruption, the conferees he has bribed, the friends he has betrayed. Tell us not of his professed christianity. It is hollow as a drum. The man who could erect a gallows for his fellow creature with whom he drinks the sacramental wine, is another Judas Iscariot as black-hearted as the first. The man who thirsted for the blood of young Reed, his fellow church-member, and the son of a true and life-long friend, could hardly claim credit for much piety. Tell us not of his correct business habits. They are correct only when correctness "pays." Tell us not of his friendship for those in distress. He generally manages to make himself "whole" for the friendship wasted on such cases. Is he honest politically? Great God! What has he left untouched that is vile, foul and infamous in politics? He sold himself to the Republicans in 1861 for an election to the Legislature, sold himself back again to the Democrats for a re-election in 1862, and re-sold himself to the Republicans in 1864, for the promise of a Congressional nomination. In 1863 he tried to bribe the Democratic conferees to nominate him for State Senator and in 1866 he bought enough delegates to the Radical County Convention to beat Col. Jordan for Governor. His game in politics has always been *buying and selling*. Is such a man *honest?*

Is he capable? Yes he *is* capable—"fit for treason, stratagems and spoils"—especially the "spoils."

He is capable of representing the people of this district in a Congress composed of the Ashleys, the Butlers, the Mullinses, the C. C. Bowens and that sort of cattle. If the Constitution is to be trampled under foot, if the negro is to be made a voter and an office-holder, if the white man is to be disfranchised, if the Supreme Court is to be gagged, if the President is to be impeached for partizan purposes, and above all, if the public lands are to be voted away to some gigantic corporation, whose agents are in the lobby, Cessna is capable of accomplishing as much as any man in the district. But if broad views of public policy are demanded, if fraud and corruption, malignity and devilishness are to be banished from the halls of Congress, then is he incapable, for he cannot exist in an atmosphere of which these are not constituent parts.

Is he honest? Is he capable? We defy any man who knows him as well as we do, to answer these questions in the affirmative.

THE SIXTEENTH CONGRESSIONAL DISTRICT.

This is considered by men of "good judgment, in both parties, as a close" district. In 1862 the Democrats carried it by about 500 majority. In 1864, we carried it again, on the home vote, by a like majority, but on a contest, based upon returns from the army, the Radical candidate was declared elected by about 60 majority. In 1866, we lost the district by upwards of 600. In 1867, we regained it by the following vote:

	Dem. maj.	*Rad. maj,*
Adams,	392	——
Bedford,	339	——
Franklin	189	——
Fulton	310	——
Somerset	——	1215
	1230	
	1215	

Dem. Maj. in District, 15

It is, therefore, clear that the party which does the hardest work, which has the most thorough discipline and to whose side the "changes" incline, will elect its candidate for Congress. Brag will not do. He is a "good dog," we know, but "Hold On" is a much better. Cessna, the Radical candidate, and McClure, his bottle-holder, hope to win by boasting of assured success. The latter has given out that Franklin county will return 100 Radical majority, whilst little John admits that he will be beaten in Bedford, but puts the figures at only 150. Now, the Democracy of Bedford county propose to spoil this calculation, so far as they are concerned. They will take care of their part of the job, and they expect their brethren in Franklin to upset the figures of that braggart, McClure. It is about time that the rule of such corruptionists as Cessna and McClure were broken in this Congressional district. Shall it be done?

KIMMELL and a vote in Congress to restore to the President his Constitutional powers. Cessna and a vote with Butler, Bingham and Ashley, to sustain the Impeachment conspiracy.

SHOW your hands! There be those who shuffle and vacillate between Radicalism and Democracy. This is no time for such indecision. Face the music and let us know where you are. Stand up, like men, and speak out. The people are in earnest in their demand for *a change* and they will have no "cow-boys" between them and their enemies.

THE name of John Cessna is the synonym of political corruption. There are those who can vote for him because they are of his political party. There are none who are opposed to him in politics who can vote for him without smirching their own reputation.

JOHN CESSNA is now sneaking around the corners trying to induce Democrats to vote for him. A few nights ago he said there was was "nothing meaner in hell than a copperhead." Of course he doesn't apply that term to Democrats.

JOHN CESSNA is a traitor to the party that made him. What member of that party can find it in his heart to be so false to his associates as to vote for this ungrateful renegade?

JOHN CESSNA'S character as a buying and selling politician, makes it impossible for any Democrat to vote for him and retain the confidence of his fellow Democrats.

KIMMELL and a vote in Congress for the reduction of the Standing Army. Cessna and a vote in Congress for the perpetuation of Military Rule at a cost of $150,000,000 per annum.

KIMMELL and reconciliation of the Northern and Southern people. Cessna and malice, hate and revenge toward the subjugated white people of the South.

KIMMELL and a vote in Congress for the independence of the Judiciary. Cessna and a vote in Congress to gag the Supreme Court.

KIMMELL and taxation of Government Bonds. Cessna and taxes on every thing and every body except the bond-holder.

KIMMELL and One Currency for All. Cessna and gold for the bondholders and paper for the plow-holders.

Put up Your Stamps, or Shut up Your Gab.

We have had placed at our disposal for the accommodation of betting Radicals, fourteen thousand five hundred dollars [$14,500], to be staked on the coming presidential election, as follows:

$1,000 that Seymour and Blair will carry Connecticut.

$1,000 that Seymour and Blair will carry New York.

$1,000 that Seymour and Blair will carry New Jersey.

$1,000 that Seymour and Blair will carry Pennsylvania.

$1,000 that Seymour and Blair will carry Delaware.

$1,000 that Seymour and Blair will carry Maryland.

$1,000 that Seymour and Blair will carry Ohio.

$1,000 that Seymour and Blair will carry Kentucky.

$1,000 that Seymour and Blair will carry Indiana.

$1,000 that Seymour and Blair will carry Missouri.

$1,000 that Seymour and Blair will carry California.

$1,000 that Seymour and Blair will carry Oregon.

$2,000 that Seymour and Blair will be elected.

$500 that no Radical dares take the bet.

This amount of money, to be bet as stated, has been placed in the Banking House of W. F. Reynolds & Co., and the editor of this paper will make the necessary arrangements, with any radical or any party of radicals, who desire to take it. Come on gentlemen or stop your blowing! *We are going to succeed this fall.* If you think not, back up your opinion with your gold if you are bondholders, and with your greenbacks if you do not belong to that favored class.—*Bellefonte Watchman.*

ST. LOUIS, August 28.—A Denver dispatch says the Cheyenne and Arrapahoe Indians continue their depredations, murdering inoffensive settlers in Central and Eastern Colorado. On Tuesday they attacked Kiowa Station on Smoky Hill route, capturing thirty horses and carrying off one woman and a child, whose remains were found yesterday shockingly mutilated, and brought here for burial. Another band killed three men yesterday at Latham Patto on the stage route, and chased the Smoky Hill coach several miles, keeping up a running fire without damage. Governor Hall organized a company of sixty volunteers, and left at three o'clock this morning. General Sheridan authorized him to call on the commander of Fort Reynolds for assistance. No doubt every effort will be made to overtake and punish the Indians. Great excitement exists. The Indians are stripping the country of all stock and provisions, and twelve persons are known to have been murdered in the past two days. A Cheyenne dispatch says: Edward M. Pratt, of Peoria, Illinois, in company with B. J. Evert, herding horses two miles from the city, early this morning, was surprised by five Indians and scalped. He was brought into the hospital, where he died at ten o'clock.

At a ball on the 22d, at White Sulphur Springs Va., Gen. Rosecrans was in the ball-room and was escorting a lady. Gens. Lee and Beauregard were at the same time promenading with with two of the belles of the Springs.

"The McClellan Legion," of New York, is now working for Seymour and Blair. The members propose to give Gen. McClellan a dinner on his arrival in New York.

"In all cases where the name of the person claiming to vote is not found on the list furnished by the Commissioners, or his right to vote whether found thereon or not, is objected to by any qualified citizen, it shall be the duty of the Inspectors to examine such person on oath as to his qualifications, and if he claims to have resided within the State for one year or more, his oath shall be sufficient proof thereof, but he shall make proof by at least one competent witness, who shall be a qualified elector, that he has resided within the district for more than ten days immediately preceding said election and shall also swear that his bona fide residence, in pursuance of his lawful calling is within the district, and that he did not remove within the district for the purpose of voting.

"Every person qualified as aforesaid, and who shall make due proof if required, of his residence and payment of taxes aforesaid, shall be admitted to vote in the township, ward or district in which he shall reside.

"If any person shall prevent or attempt to prevent any officer of an election, under this act from holding such election, or use or threaten any violence to any such officer, and shall interrupt or improperly interfere with him in the execution of his duty, shall block up or attempt to block up the window or avenue to any window where the same may be holden, or shall riotously disturb the peace of such election, or shall use or practice intimidation, threats, force or violence, with the design to influence unduly or overawe any elector, or prevent him from voting, or to restrain the freedom of choice, such persons on conviction shall be fined in any sum not exceeding five hundred dollars, to be imprisoned for any time not less than one nor more than twelve months, and if it shall be shown to the court where the trial of such offence shall be had, that the person so offending was not a resident of the city, ward or district where the said offence was committed, and not entitled to vote therein, on conviction, he shall be sentenced to pay a fine not less than one hundred or more than one thousand dollars, and be imprisoned not less than six months nor more than two years.

"If any person or persons shall make any bet or wager upon the result of an election within the Commonwealth, or shall offer to make any such bet or wager, either by verbal proclamation thereof, or by any written or printed advertisement, or invite any person or persons to make such bet or wager, upon conviction thereof he or they shall forfeit and pay three times the amount so bet or offered to be bet.

And the election laws of the Commonwealth further provide that "The Inspectors, Judges and clerks shall, before entering on the duties of their offices, severally take and subscribe the oath or affirmation hereinafter directed, which shall be administered to them by any judge, alderman or justice of the peace, but if no such magistrate be present, one of the inspectors of the election shall administer the oath or affirmation to the other judge and inspector, and then the inspector so qualified shall administer the oath or affirmation to him.

"The inspectors, judge and clerks required by law to hold township and general elections, shall take and subscribe the several oaths and affirmations, required by the 19th, 20th and 21st sections of the act of the 2d day of July 1839, entitled "An act relating to the elections of this commonwealth," which oaths or affirmations shall be prepared and administered in the manner prescribed in the 18th aed 22d sections of said act, and in addition to the power conferred by the 18th section of said act, the judge, or either of the inspectors, shall have power to administer the oaths prescribed by said act, to any clerk of a general, special or township election.

"The following shall be the form of the oath or affirmation to be taken by each inspector, viz: 'I (A. B.) do——that I will duly attend to the ensuing election during the continuance thereof, as an inspector, and that I will not receive any ticket or vote from any person, other than such as I shall firmly believe to be, according to the provisions of the constitution and the laws of this commonwealth, entitled to vote at such election, without requiring such evidence of the right to vote as is directed by law, nor will I vexatiously delay or refuse to receive any vote from any person who I shall believe to be entitled to vote as aforesaid, but that I will in all things truly, impartially and faithfully perform my duty therein, to the best of my judgment and abilities, and that I am not directly, nor indirectly, interested in any bet, or wager on the result of this election.'

"The following shall be the oath or affirmation of each judge, viz: 'I (A. B.) do——that I will as judge duly attend the ensuing election during the continuance thereof, and faithfully assist the inspectors in carrying on the same; that I will not give my consent that any vote or ticket shall be received from any person other than such as I firmly believe to be, according to the provisions of the constitution and laws of this commonwealth, entitled to vote at such election, without requiring such evidence of the right to vote as is directed by law, and that I will use my best endeavors to prevent any fraud, deceit or abuse, in carrying on the same by citizens qualified to vote, or others, and that I will make a true and perfect return of the said election, and will in all things truly, impartially and faithfully perform my duty respecting the same, to the best of my judgment and abilities, and that I am not directly or indirectly interested in any bet or wager on the result of this election.'

"The following shall be the form of the oath or affirmation to be taken by each clerk, viz: 'I (A. B.) do——that I will impartially and truly write down the name of each elector who shall vote at the ensuing election, which shall be given me in charge, and also the name of the township, ward or district, wherein such elector resides, and carefully and truly write down the number of votes that shall be given for each candidate at the election, as often as his name shall be read to me by the inspectors thereof, and in all things truly and faithfully perform my duty respecting the same to the best of my judgment and ability, and that I am not directly or indirectly interested in any bet or wager on the result of this election.'

The qualified electors will take notice of the following act of Assembly, approved 12th day of March, 1866: AN ACT, Regulating the mode of voting at all elections, in the several counties of this Commonwealth.

SECTION 2. That it shall be the duty of the Sheriffs, in the several counties of this Commonwealth, to insert in their election proclamations, hereafter issued the first section of this act.

Speaker of the House of Representatives.
DAVID FLEMING,
Speaker of the Senate.

APPROVED—the thirtieth day of March, Anno Domini one thousand eight hundred and sixty-six.
A. G. CURTIN.

Election officers will take notice that the act entitled "A Further Supplement to the Election Laws of this Commonwealth," disqualifying deserters from the army of the United States from voting, has recently been declared unconstitutional by the Supreme Court of Pennsylvania, is now null and void, and that all persons formerly disqualified thereunder are now lawful voters, if otherwise qualified. The act decided unconstitutional by the Supreme Court provided as follows:

"A FURTHER SUPPLEMENT TO THE ELECTION LAWS OF THIS COMMONWEALTH.

Whereas, By the act of the Congress of the United States, entitled "An Act to amend the several acts heretofore passed, to provide for the enrolling and calling out the national forces, and for other purposes," and approved March third, one thousand eight hundred and sixty-five, all persons who have deserted the military or naval service of the United States, and who have not been discharged, or relieved from the penalty, or disability therein provided, are deemed, and taken, to have voluntarily relinquished, and forfeited, their rights of citizenship, and their rights to become citizens, and are deprived of exercising any rights of citizens thereof:

And whereas, persons, not citizens of the United States, are not, under the constitution and laws of Pennsylvania, qualified electors of this commonwealth:

Section 1. Be it enacted by the Senate and House of Representatives of the Commonwealth of Pennsylvania in General Assembly met, and it is hereby enacted by the authority of the same, That in all elections hereafter to be held in this commonwealth, it shall be unlawful for the judge or inspectors of any such election to receive any ballot, or ballots, from any person, or persons, embraced in the provisions, and subject to the disability, imposed by said act of Congress, approved March third, one thousand eight hundred and sixty-five, and it shall be unlawful for any such person to offer to vote any ballot, or ballots.

Section 2. That if any such judge and inspectors of election, or any one of them shall receive, or consent to receive, any such unlawful ballot, or ballots, from any such disqualified person, he, or they, so offending, shall be guilty of a misdemeanor, and, upon conviction thereof, in any court of quarter sessions of this commonwealth, he shall, for each offence, be sentenced to pay a fine of not less than one hundred dollars, and to undergo an imprisonment, in the jail of the proper county, for not less than sixty days.

Section 3. That if any person deprived of citizenship, and disqualified as aforesaid, shall, at any election, hereafter to be held in this commonwealth, vote, or tender to the officers thereof, and offer to vote, a ballot, or ballots, any person, so offending, shall be deemed guilty of a misdemeanor, and on conviction thereof, in any court of quarter sessions of this commonwealth, shall, for each offence, be punished in like manner as is provided in the preceding section of this act, in the case of officers of election receiving such unlawful ballot, or ballots.

Section 4. That if any person shall hereafter persuade, or advise, any person, or persons, deprived of citizenship, and disqualified as aforesaid, to offer any ballot, or ballots, to the officers of any election, hereafter to be held in this commonwealth, or shall persuade, or advise, any such officer to receive any ballot, or ballots, from any person deprived of citizenship, and disqualified as aforesaid, such person, so offending, shall be guilty of a misdemeanor, and upon conviction thereof, in any court of quarter sessions of this commonwealth, shall be punished in like manner as is provided in the second section of this act, in the case of officers of such election receiving such unlawful ballot, or ballots.

ST. LOUIS and IRON MOUNTAIN RAILROAD COMPANY'S Seven per cent. first Mortgage Bonds. February and August Coupons. The earnings of the completed road to Pilot Knob are now more than the interest on the entire mortgage. The proceeds of these bonds are adding to the security every day. Over $8,000,000 have been spent on the property, and not over $2,000,000 of bonds issued thus far. The constantly increasing traffic of carrying ore, with the prospect of controling all the travel from St. Louis to the Southern States, insures an enormous revenue. The Directors own 8-10 of the stock for investment, and are interested to enrich the property as well as to economize its expenses.

THOS. ALLEN, President, St. Louis, Mo.

We, the undersigned, cordially recommend these seven per cent. mortgage bonds, of the St. Louis and Iron Mountain Railroad, as a good security. The revenue of the road will be large, and the administration of the affairs of the Company is in capable and experienced hands, and is entitled to the greatest confidence of the public.

CONGRESSIONAL CONFERENCE.—The Democratic Conferees of the 16th Congressional District, composed of the counties of Adams, Bedford, Franklin, Fulton and Somerset, met at the Bedford Hotel, in Bedford, on Wednesday, the 26th ult., to place in nomination a candidate for Congress. All the counties were fully represented as follows:

Adams, Samuel Wolf, Abraham Krise and Amos Lefever.

Bedford, P. G. Morgart, E. F. Kerr and James Sill.

Franklin, J. McDowell Sharpe, J. R. Orr and G. W. Brewer.

Fulton, Jacob McDonald, J. A. Robison and J. R. Donehoo.

Somerset, Hiram Findlay, J. B. Richardson and Fred. Groff.

The conference was organized by the election of Hon. G. W. Brewer as President and J. R. Donehoo and E. F. Kerr, Esqs., as Secretaries. The following persons were placed in nomination:

Mr. Krise named Wm. McClean, Esq., of Adams.

Mr. Morgart named B. F. Meyers, of Bedford.

Mr. Orr named Hon. F. M. Kimmell, of Franklin.

Mr. Robinson named Geo. A. Smith, Esq., of Fulton.

Mr. Findlay named Hon. A. H. Coffroth, of Somerset.

The Conference proceeded to ballot and up to the thirty-fourth ballot each candidate received the three votes from his county. On the thirty-fifth ballot Adams withdrew William McClean, Esq., and cast her vote for Meyers. On the forty-sixth ballot Hon. F. M. Kimmell was nominated by the following vote: Kimmell, 3 votes from Franklin, 3 from Fulton and 2 (Groff and Richardson) from Somerset. Total, 8 votes. Meyers, 3 votes from Adams, 3 from Bedford and 1 (Findlay) from Somerset. Total, 7 votes. On motion the nomination was made unanimous.

A committee consisting of Messrs. Findlay, Brewer, Sill, Krise and McDonald, was appointed to inform Judge Kimmell of his nominaton. The conference was then addressed by Messrs. Brewer, Kimmell, Meyers and McLean.

The committee on resolutions consisting of Messrs. Orr, Robinson, Groff, Krise and Kerr, reported as follows:

Resolved, That we cordially endorse the administration of Andrew Johnson in its efforts to maintain the Constitutional authority of the Government against the usurpations and innovations of a partizan mob, claiming to represent, *but misrepresenting*, the people of the United States in Congress.

Resolved, That in the nomination of Horatio Seymour, for Pres't, and F. P. Blair, for Vice Pres't, we recognize tried statesmen and true patriots, men whose ability is surpassed only by their devotion to their country's best interests, and that the platform of principles adopted by the Democratic National Convention, meets not only with the hearty approval of this conference, but should meet with the approval of every man who desires the prosperity and happiness of his country.

Resolved, That in placing the Hon. F. M. Kimmell in nomination for congress, we have selected a candidate of marked ability, of known integrity, and one who, as a member of the 41st Congress, will be an honor to our district, and we earnestly urge his claims upon every voter who desires that the malignant and extravagant legislation of the present congress shall cease.

Resolved, That the proceeding of this conference be published in the Democratic papers of this district.

On motion of Hon. Hiram Findlay the conference adjourned.

PERSONAL.—Hon. Richard J. Haldeman, the next congressman from the Cumberland district, was in town last week. Col. Haldeman is a staunch Democrat and will be elected by an overwhelming majority, as he deserves to be.

J. J. Hoffman, Esq., editor of the Somerset *Democrat*, paid our sanctum a visit a few days ago. Mr. Hoffman is doing yeoman service for the cause of Democracy through his ably conducted paper.

J. R. Donehoo, Esq., editor of the Fulton *Democrat*, was here as a conferee. Through the management of its present editors the *Democrat* has been greatly improved in every respect, and is doing good work in "little Fulton."

Col. Taylor, State Senator from the Beaver district, was in town on Monday. The Colonel is a good fellow, barring his politics, which are not so good.

HON. W. McLean, who was presented by the gallant Democracy of Adams, as their choice for Congress, spent some time with his friends in this place last week. Mr. McLean is a lawyer of ability and is one of the rising men of this congressional district.

NO ADJOURNED COURT.—The jurors summoned for the adjourned Court on the 2d Monday, 14 Sept., next, at Bedford, are notified that they need not attend, the list of causes having been continued by counsel, which action has been approved by the Court.

BRYAN'S CIRCUS AND MENAGERIE.—This extensive and celebrated establishment is announced to exhibit in this place, on Thursday, Sept. 10th, (Court week) in the afternoon and night, on the lots where the Fair was held last year. It is represented by our exchanges as being one of the very best circuses now traveling, and one that fulfills all the promises made in the advertisements. The Menagerie department is said to contain the largest, best varied and most valuable collection of beasts and birds ever concentrated in one establishment, and the Circus department has been so arranged that none but first-class *artistes* have been employed in the exhibitions in the ring. This is no "broken down" circus establishment, but one that has been recently fitted up regardless of labor or expense. Wherever it has been on exhibition its immense canvass has been crowded to overflowing. A grand pageant will be given every day at 10 o'clock, A. M., which is described as the most effectual parade ever given as a gratuity. The doors open one hour and a half before the circus performance begins, in order to give the people time to see the Birds and Beasts, which department boasts of twenty dens of objects, independent of those which are led over the road. On the whole, this show promises to be a rare treat to all lovers of nature, art and amusement. Exhibitions will be given at the following places, next week:—

THE best chewing tobacco, of all kinds, and the largest assortment of cigars, pipes, and smoking tobacco, to be had in Bedford, at Dan Crouse's. "Go for him."

MAN'S first duty is to himself. There are accidents which no foresight can avoid. Every one's experience remembers some lusty, much enduring man stricken down as though by a pestilence, Disease flies in the air. Typhus creeps from every sewer. Prince Albert was swept from the most luxurious throne of Europe by the miasma of a neglected drain. Science, art, medicine, are every day arrested by the cold and bitter hand of death. No man who values his life, or rather, those to whom his life is all in all, should hesitate to provide against ever-present danger by taking a policy from some good Life Insurance Company. Here is one brought to us by Mr Jay Cooke, the great financier of the rebellion, managed by men of national reputation for honor and sagacity; with an enormous capital, and arranged on the most liberal and thoughtful basis. *It is a national Company.* The rates of premium are low. All policies are non-forfeiting, and all premiums are returned at death. We commend this company especially to our readers, the same time saying that with such an opportunity presented to a father of a family, there is no excuse for his delaying a day in covering his life with a good policy of insurance.

NEW STORE ROOM.—Our enterprising friend, D. R. Anderson, Esq., of Centerville, has lately erected a fine two-story building, in which he has fitted up one of the largest and finest store rooms in the county. The room is 50 feet long by 20 wide, and is filled with the largest and best stock of all kinds of goods, usually kept in a country store, ever brought to that section of the county. By selling as cheap as the cheapest and paying strict attention to the wants of his customers, he expects to merit and receive a liberal patronage from the community among which he has shown such a spirit of enterprise. Success to him.

NEED EVERY VOTE.—A friend has shown us a letter from a "Republican" in Bingham's district in which the writer says:—"I now think we may need every vote in this—Bingham's—district." This shows how the Radicals are frightened at the political prospect in Ohio, and well they may be, for the Democrats will carry that State just as sure as the election takes place.

Wanted, everybody to know that G. R. Oster & Co. are now selling off summer goods at cost, to make room for fall stock; assortment still good, but selling off rapidly.

NEW CHURCH.—The Catholics are about erecting a new church on the corner of Main and Richard streets. The work is to be pushed right along, and the building is to be under roof this season yet. The site is well chosen, and the erection of a fine church building will add much to the appearance of that part of our town.

Gentlemen, buy your shirts, collars, cuffs, and furnishing goods at G. R. Oster & Co's.

NOT SUCH BAD FELLOWS AFTER ALL.—There was quite an influx of editors in our town last week. We have made particular inquiries, and so far as we are able to learn, there has been nothing missed since their departure. Yet some folks will insist that editors are bad people. It is clearly a mistake.

TRY Crouse's cigars—everybody buys 'em—3 for 5c, 2 for 5c, and yaras 10c.

GOING UP.—The erection of the Episcopal church at the corner of Richard and John Streets, is progressing finely and promises to be one of the neatest and most substantial buildings in this place.

A PIANO OR ORGAN.—Which shall I buy? Suit your taste, consult your pocket, and also the size of your room. For many years the piano has had the monopoly, but latterly, the AMERICAN ORGANS, manufactured by S. D. & H. W. Smith, Boston, have been steadily growing in favor. We recently visited their immense factory, and explored it from the dry-room, where the stock is seasoned in a temperature of 125 degrees to the finishing department and ware-rooms, where the instruments are exhibited by a skilful musician. Notwithstanding the facilities for finishing a hundred per week, the demand has outrun the supply. These Organs may be purchased from $100 to $1500, according to size and style. Their action, tone, temperament, voicing and general workmanship, are such as constitute all that lovers of music can desire. Their compactness, portableness and beauty of finish, make them a desirable article for every home.—*Quincy Patriot.*

TAKE NOTICE.—Persons wishing to purchase S. S. Mason's Double Acting Non-Freezing Force Pump, will please call at S. Shuck's New Store Room, during Court week, and leave their orders with Messrs. Rohm & Shuck.—These gentlemen have for sale Somerset, Bedford, Blair, Centre, Huntingdon, Fulton, Franklin and Perry counties for this Pump. Good deeds given for fifteen years from date. See adv't in another column.

A golden opportunity is now offered to buy remnants of delaines, calicoes, &c., at cost; all will be sold regardless of cost at Oster's *cheap* store.

No *loss can be more fatal to beauty, especially* in the female sex, than the loss of the hair; glossy, luxuriant hair is one of the most powerful of all personal charms. When baldness or even a deficiency of hair exists, we naturally look for a dry and wrinkled skin, a faded complexion; when not actually seen, we see them in imagination. Why, then not cultivate your hair? Encourage it and strengthen it; or, if your hair is gray or white, the natural color can be restored by a few applications of MRS. S. A. ALLEN'S IMPROVED (*new style*) HAIR RESTORER OR DRESSING, (*in one bottle.*) Price One Dollar. Every Druggist sells it. aug28m1.

When the smoke rises
And gets in my eyeses,
I think of you, dearest,
And O, how I cryses.

Go to Crouse's Resort and buy a few of his incomparable cigars.

One of the few things that the North and South will probably ever fully agree upon is that "Barrett's Vegetable Hair Restorative" is not only the best preventive of the hair falling out, but also the finest dressing ever before the public. It richly deserves the "Silver Medal" awarded by the New Hampshire State Fair.—*Dubuque Times.*

Farmers and mechanics, you may save your property from being destroyed by fire, by buying the Mason Pump. Leave your orders with Rohm & Shuck. See adv't.

Look, read and remember that G. R. Oster & Co. always keep the largest and best assortment of boots and shoes in town.

COARSE people use coarse perfumery, and *vice versa*, it is safe to set down a lady who uses that spiritual perfume, PHALON'S "FLOR DE MAYO," as a person of taste and sensibilty—perhaps a poetess, or a fine musician. Sold by all druggists.

AYER'S SARSAPARILLA,
FOR PURIFYING THE BLOOD.

The reputation this excellent medicine enjoys, is derived from its cures, many of which are truly marvellous. Inveterate cases of Scrofulous disease, where the system seemed saturated with corruption, have been purified and cured by it. Scrofulous affections and disorders, which were aggravated by the scrofulous contamination until they were painfully afflicting, have been radically cured in such great numbers in almost every section of the country, that the public scarcely need to be informed of its virtues or uses.

Scrofulous poison is one of the most destructive enemies of our race. Often, this unseen and unfelt tenant of the organism undermines the constitution, and invites the attack of enfeebling or fatal diseases, without exciting a suspicion of its presence. Again, it seems to breed infection throughout the body, and then, on some favorable occasion, rapidly develops into one or other of its hideous forms, either on the surface or among the vitals. In the latter, tubercles may be suddenly deposited in the lungs or heart, or tumors formed in the liver, or it shows its presence by eruptions on the skin, or foul ulcerations on some part of the body. Hence the occasional use of a bottle of this Sarsaparilla is advisable, even when no active symptoms of disease appear. Persons afflicted with the following complaints generally find immediate relief, and, at length, cure, by the use of this Sarsaparilla: St. Anthony's Fire, Rose or Erysipelas, Tetter, Salt Rheum, Scald Head, Ringworm, Sore Eyes, Sore Ears, and other eruptions or visible forms of Scrofulous disease. Also in the more concealed forms, as Dyspepsia, Dropsy, Heart Disease, Fits, Epilepsy, Neuralgia, and the various Ulcerous affections of the muscular and nervous systems.

Syphilis or Venereal and Mercurial Diseases are cured by it, though a long time is required for subduing these obstinate maladies by any medicine. But long continued use of this medicine will cure the complaint. Leucorrhoea or Whites, Uterine Ulcerations, and Female Diseases, are commonly soon relieved and ultimately cured by its purifying and invigorating effect. Minute Directions for each case are found in our Almanac, supplied gratis. Rheumatism and Gout, when caused by accumulations of extraneous matters in the blood, yield quickly to it, as also Liver Complaints, Torpidity, Congestion or Inflammation of the Liver, and Jaundice, when arising, as they often do, from the rankling poisons in the blood. This SARSAPARILLA is a great restorer for the strength and vigor of the system. Those who are Languid and Listless, Despondent, Sleepless, and troubled with Nervous Apprehensions or Fears, or any of the affections symptomatic of Weakness, will find immediate relief and convincing evidence of its restorative power upon trial.

IF A HUMBUG,

What a wonder
That the doors
Are open wide;
Ever since the
First of August
Thousands have
Pain Paint applied.
Those who lie,
Or call it humbug,
Are the doctors,
Not acquaint;
For they always
Have been jealous
When their patients
Use Pain Paint.
Pile up facts
As high as mountains,
Flash the truth
Before their eyes,
But the cry
Is always humbug,
Men of science
Full of lies.

People know that liniments composed of Cayenne pepper, turpentine, hartshorn, ether, &c., will produce inflammation and pain. To purchase such trash to stop Pain and Inflammation is ridiculous. Fire will not stop heat; a dumb brute shuns the heat, and knows enough to wade in a pond of water, when wounded, to reduce, cool, and cure Inflammation and Fever.

Pimps and gamblers try to look honest, but folks can read the face too plainly. Some try to persuade the ignorant that pills, physic, &c., cleanse the blood, purge the system, and do a hundred other things equally absurd. Everybody knows that it is false, and that no medicine can purify or increase a drop of blood. Food makes blood, bone, and muscle, and is the Staff of Life. Every dose of medicine swallowed is rejected, and hurried out of the system as quick as possible. It is an enemy; yea, a deadly foe. Constipation, ill health, and weakness, are the result of dosing, dosing, dosing the stomach.—The living system has enough to do without working herself to death in expelling and kicking out the pernicious nostrums poured down the throat. Food she welcomes when she needs it; yea, asks for it. Let pill-makers and physic venders stop eating food, and see how long they can subsist on their blood-purifying, invigorating, health-giving medicines and cordials. What humbug is more transparent? A dog would feel so insulted, if offered a dose, he would curl his tail downward in scorn, and run away in utter disgust. All physical pain arises from inflammation. Put out the fire and you stop pain absolutely. You can stop pain as easy as you can quench fire with water. WOLCOTT'S PAIN PAINT subdues inflammation, heat, and fever one hundred times faster than ice. Thousands have had a practical test of its merits at the very moment of most extreme pain and they can testify that it has not failed in doing its work. It is simple; it is harmless, it has no stain; it gives no smart; it is for sale by Druggists everywhere; and it is tested free of cost at 170 CHATHAM SQUARE, N. Y., and 622 Arch Street, Philadelphia

My wife had an ulcer on her leg for thirteen years, caused by varicose veins, ulceration extending from her ankle to her knee, some places eating away to the bone. I have employed over twenty physicians at vast expense during this period. But all attempts at cure proved utterly abortive until I tried Dr. Wolcott's Pain Paint, which the doctors told me was a humbug. But humbug or not, it has done the work completely in less than one month, removing the pain at the first application. I kept her leg wet with Pain Paint constantly until healed. I wish we had more humbugs as useful as Dr. Wolcott's Pain Paint. I am well known in this city any person who wants to make further inquiry will call at 101 West Street, New York, at the Hanover House, of which I am the proprietor, and I think I can satisfy them as to the benefit derived by the use of Pain Paint.

May 12, 1868. PETER MINCK.

I am selling Wolcott's Pain Paint and Annihilator, and it certainly gives satisfaction to my customers.

I am selling more of Wolcott's Pain Paint, than any other Patent Medicine.

AYER'S
HAIR VIGOR,
FOR THE RENOVATION OF THE HAIR.
THE GREAT DESIDERATUM OF THE AGE.

A dressing which is at once agreeable, healthy, and effectual for preserving the hair. Faded or gray hair is soon restored to its original color and the gloss and freshness of youth. Thin hair is thickened, falling hair checked, and baldness often, though not always, cured by its use. Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed. But such as remain can be saved for usefulness by this application. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. Free from those deleterious substances which make some preparations dangerous and injurious to the hair, the Vigor can only benefit but not harm it. If wanted merely for a

HAIR DRESSING,

nothing else can be found so desirable. Containing neither oil nor dye, it does not soil white cambric, and yet lasts longer on the hair, giving it a rich glossy lustre and a grateful perfume.

AYER'S CATHARTIC PILLS,

For all the purposes of a Laxative Medicine.

Perhaps no one Medicine is so universally required by everybody as a cathartic, nor was ever any before so universally adopted into use, in every country and among all classes, as this mild but efficient purgative Pill. The obvious reason is, that it is a more reliable and far more effectual remedy than any other. Those who have tried it, know that it cured them; those who have not, know that it cures their neighbors and friends, and all know that what it does once it does always—that it never fails through any fault or neglect of its composition We have thousands upon thousands of certificates of their remarkable cures of the following complaints, but such cures are known in every neighborhood, and we need not publish them. Adapted to all ages and conditions in all climates; containing neither calomel or any deleterious drug, they may be taken with safety by anybody. Their sugar coating preserves them ever fresh and makes them pleasant to take, while being purely vegetable no harm can arise from their use in any quantity.

They operate by their powerful influence on the internal viscera to purify the blood and stimulate it into healthy action—remove the obstructions of the stomach, bowels, liver, and other organs of the body, restoring their irregular action to health, and by correcting, wherever they exist, such derangements as are the first origin of disease.

Minute directions are given in the wrapper on the box, for the following complaints, which these Pills rapidly cure:—

For DYSPEPSIA or INDIGESTION, LISTLESSNESS, LANGUOR and LOSS of Appetite, they should be taken moderately to stimulate the stomach and restore its healthy tone and action.

For LIVER COMPLAINT and its various symptoms, BILLIOUS HEADACHE, SICK HEADACHE, JAUNDICE or GREEN SICKNESS, Bilious Colic and Bilious Fevers, they should be judiciously taken for each case, to correct the diseased action or remove the obstructions which cause it.

For DYSENTERY or DIARRHŒA, but one mild dose is generally required.

For RHEUMATISM, GOUT, GRAVEL, PALPITATION OF THE HEART, PAIN IN THE SIDE, BACK and LOINS, they should be continuously taken, as required, to change the diseased action of the system. With such change those complaints disappear.

For DROPSY and DROPSICAL SWELLINGS they should be taken in large and frequent doses to produce the effect of a drastic purge.

For SUPPRESSION a large dose should be taken as it produces the desired effect by sympathy.

As a DINNER PILL, take one or two pills to promote digestion and relieve the stomach.

An occasional dose stimulates the stomach and bowels into healthy action, restores the appetite, and invigorates the system. Hence it is often advantageous where no serious derangement exists. One who feels tolerably well, often finds that a dose of these PILLS makes him feel decidedly better, from their cleansing and renovating effect on the digestive apparatus.
